

CALL FOR PAPERS

5TH INTERNATIONAL CONFERENCE ON MECHANICS AND MATERIALS

ICMM'2025

9-10 November 2025

Setif, Algeria

The Institute of Optics and Precision Mechanics - Setif 1 University Ferhat Abbas organizes the **5th International Conference on Mechanics and Materials, ICMM'2025** scheduled for **November 9-10, 2025**, in Setif, Algeria. This event is held in collaboration with the Laboratory of Mechanics, Modeling and Manufacturing (LAMP) of the National School of Engineers of Sfax (ENIS) - Sfax University - Tunisia. The conference unites top experts, scholars, and industry professionals globally to delve into the most recent innovations, trends, and breakthroughs in the field. The conference is dedicated to growing a collaborative atmosphere that encourages the exchange and advancement of ideas and research in the fields of Mechanics and Materials engineering.

TOPICS

- Modelisation and mechanical design
- Metrology in mechanics
- Computer Aided Design/Manufacturing CAD/CAM
- Granular matter
- Metallic materials for engineering
- Glass, ceramics and composites
- Tribology, fracture and fatigue
- Materials development and applications
