

About ICMAS'T2024

The ICMAS'T2024 aims to provide a comprehensive platform for researchers, mathematicians, scientists, engineers, and practitioners from diverse disciplines to engage in productive knowledge exchange, present their latest research findings and innovative approaches, foster interdisciplinary collaboration and networking, offer educational and training opportunities, bridge the gap between theoretical advancements in mathematics and their practical applications, identify emerging trends and future directions, and facilitate the publication and dissemination of research work in the field of mathematics and its wide-ranging applications across scientific and technological domains.

Topics

- i. Differential Equations and its Applications.
- ii. Dynamic Systems and Mathematical Biology.
- iii. Algebra, Cryptography and Information Security.
- iv. Numerical Analysis and Simulation.
- v. Fractional Calculation.
- vi. Data Science and Analytics.
- vii. Mathematical Methods in Engineering.
- viii. Mathematical Finance and Economics.

Important Deadline Dates

Paper submission :	October 30 th , 2024
Notification of acceptance :	November 10 th , 2024
Confirmation of participation :	November 20 th , 2024
Conference :	December 15-16 th , 2024

The best papers will be published in the
ALGERIAN JOURNAL OF SCIENCES
